

D'inverno sul Po

“D'inverno sul Po” regatta is back!

Last year the Sars-Cov-2 separated us; despite the uncertain situation the 38th editions took place in February 2021, but it was bound by the strict health and safety protocols, and reserved for only the athletes who were members of Italian Clubs linked to the Italian Rowing Federation.

The traditional competition on the river and the friendship atmosphere missed one fundamental part that characterized our regatta: all of you from other countries! Dear French, German, English, Greek, Swiss, Romanian, Hungarian, Dutch, Portuguese, Spanish, Lithuanian, Irish, Belgian, Algerian, Turkish, Emirate and Argentinian friends we missed you!

Fortunately, the health situation is getting better and our regatta will welcome back all of you, but the virus is not completely defeated, so there are still some procedure to follow in order to keep prevent and contain the spread of Covid-19. In the next weeks please check on our website and social networks the new organizational updates and the national and International anti-contagious protocols in place for the 39th “D'inverno sul Po” regatta that will be held in Turin on 12th and 13th February 2022.

In compliance with health and safety anti Sars-Cov-2 contagious protocols of the Italian Rowing Federation, the Regional Government and the Italian and European Health Ministry, the 2022 edition welcome back the foreign friends!

Looking forward to seeing you all in Turin!
